PRODUCT DESCRIPTION

Dual 100 is a range of commercial-grade cleaners and disinfectants proven to eradicate gram-positive and gram-negative bacteria such as Staphylococcus aureus and Escherichia coli. Dual 100 destroys and removes mildew, algae and bacterial deposits quickly, and controls further growth.

Safe to use on all surfaces and has a light and pleasant fragrance that provide lasting freshness.

Dual 100 offers broad-spectrum pathogen protection, peace of mind and great economy. It has almost twice the active power of most disinfectants.

- Suitable for use in food preparation areas
- Independently tested
- Approved and registered with AQIS

Ideal for:

- Kitchens
- Abattoirs
- Animal pens
- Hospitals
- Bathrooms
- Offices
- Aged care facilities
- Food preparation areas

DIRECTION FOR USE

Dilutions:

- General – 1 part to 150 parts water.
- Toilet and shower areas – 1 part to 100 parts water.
- Mould and Mildew control – 1 part to 100 parts water.

General and Toilet and Shower areas:

1. Remove any loose contamination.
2. Spray or mop onto the surface to be cleaned.
3. Allow to dry.

Mould and mildew control:

1. Clean the area as specified above.
2. Rinse the area.
3. Apply the Product again and leave to dry.
