SQUEAKY CLEAN LIQUID

\$15.50 – \$116.00

Squeaky Clean Liquid is a formula enhanced with modified coconut extracts for high-quality detergency and eco-compatibility. It is non-toxic, phosphate-free and pH-neutral.

Rapidly dissolves and emulsifies grease, oil and food residue.

Safe on hands and will not damage crockery glaze or finishes on cutlery.

Delicately fragranced with naturally distilled plant oil extracts, aiding the deodorising of cleaned equipment.

- Suitable for use in AQIS-inspected meat and food processing plants

PRODUCT DESCRIPTION

Squeaky Clean Liquid is a formula enhanced with modified coconut extracts for high-quality detergency and eco-compatibility. It is non-toxic, phosphate-free and pH-neutral.

The high concentration formula instantly dissolves and emulsifies grease, oils and food residues. Although a powerful grease cutter, Squeaky Clean Liquid will not damage crockery glaze or finishes on cutlery.

According to Australian standards, detergents should contain no less than 6% by mass of surfactants. Squeaky Clean Liquid is 4.7 times stronger with 28% active surfactants.

Product Features:

- High-foaming liquid concentrate
- Excellent for hand washing
- Botanical extracts, eco-friendly
- Non-toxic
- Will not damage crockery glaze or finishes on cutlery
- Delicately fragranced with naturally distilled plant oil extracts
- Suitable for use in AQIS-inspected meat and food processing plants

Chemron

DIRECTIONS FOR USE

Dilution: 1 part to 400 parts water

1. Wash dishes using cloth, brush or scourer depending on the soiling.
2. Rinse surfaces with water.
3. Stand to dry or wipe with a dry cloth.
