PRODUCT DESCRIPTION

Vanquish is a low-foaming quick-break degreaser, safe for use on metal and plastic surfaces. This new technology provides industrial-strength grease and wax removing properties.

- Biodegradable, water-based, safe for humans and the environment
- Non-caustic, non-flammable, non-toxic, non-corrosive
- Active ingredients produce very little foam
- Suitable for use in automatic steel pipe and equipment washing machines

Ideal for the removal of grease, gum, and wax from metal and plastic surfaces.

Chemron

DIRECTIONS FOR USE

Dilution: Removing grease, inks and wax:

- Machine parts, Engines or Metal: 1 part to 4 parts water.
- Floors: 1 part to 10 parts water.

1. Remove any loose contamination.
2. Apply using a sprayer.
3. Agitate with a soft bristle brush.
4. Allow to dwell for 5 minutes, but do not allow to dry.
5. Thoroughly rinse the treated surfaces with water.
6. Repeat steps 2 to 5 if required.
