\$2,625.70 ~~\$2,625.70~~ (inc GST)

Portable foamer with innovative features and ergonomics for industrial and institutional foam cleaning.

- Four-wheel design for mobility.
- Drain feature for easy emptying.

SKU: DEg-GU-0-000-MN-045-LTY

PRODUCT DESCRIPTION

The Dema 925 Mobile Compressed Air Foamer requires only a pre-mixed chemical solution to create thick, long-lasting foam.

This model is a 95-litre portable foamer that offers innovative features and ergonomics for industrial and institutional foam cleaning. The four-wheel design allows plenty of mobility and the convenient drain feature allows for easy emptying.

- Portable and ergonomic design with 4 non-marking wheels for easy transport
- Rotationally molded tank has superior durability
- Pressurized tank with 95-litre capacity
- Large fill cap opening for easy hassle-free filling
- Drain allows for easy emptying
- 9-metre foam hose
