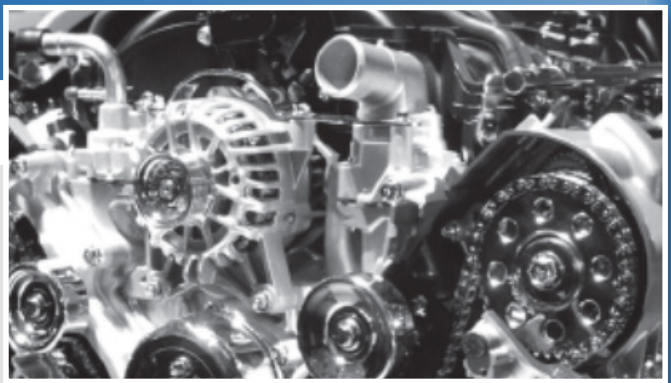
U-Beaut with Sanitiser

Sanitising Degreaser



U-Beaut With Sanitiser is a heavy-duty, sanitising degreaser formulated to replace dangerous hydrocarbon or caustic based products. It is biodegradable, non-toxic, non-corrosive, non-flammable and has no offensive odour.

It provides an easier, faster method for removal of ontaminants and its low suds surfactant means the grease and oil just washes off.

Safe for use on all surfaces and materials.

Applications:

- Industrial plants
- Greasy hire equipment
- Grime removal from tarpaulins and awnings
- Automotive cleaning and degreasing
- Printing (removal of inks and gums)
- Transport (especially truck and car engines)
- Mining machinery and vehicles
- Commercial kitchens
- Hard floors

Directions for Use:

Dilutions: General cleaning – 1 part to 10 parts water.
May be used stronger or weaker as required.

1. Remove any loose contamination.
2. Apply using a brush or low-pressure sprayer.
3. Agitate the surface with a soft bristle brush.
4. Allow to dwell for 5 to 10 minutes, but do not allow to dry.
5. Thoroughly rinse the area with water.
6. Repeat steps 2 to 5 if required.

Features:

- Sanitises surfaces
- Water-based
- Multipurpose cleaner
- Degreaser
- Non-toxic
- Biodegradable
- Industrial strength concentration

Pack sizes:

1L • 5L • 15L
