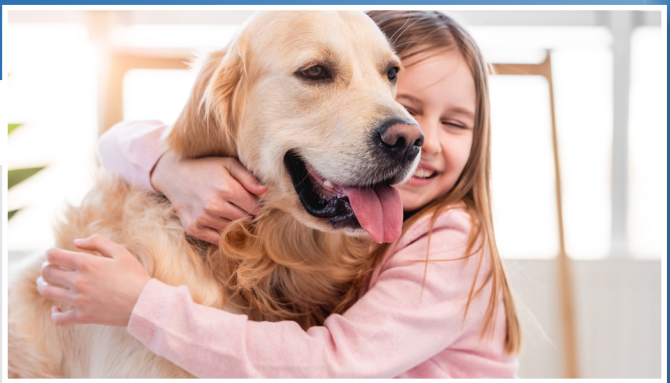
Pet Odour Eliminator

Odour Neutralized and Sanitiser



Chemron's Pet Odour Eliminator is an advanced blend of odour-neutralizing compounds specially designed to tackle pet odours with remarkable efficiency. Say goodbye to unpleasant smells caused by your furry friends and welcome a fresh, clean scent into your space.

Our Pet Odour Eliminator works by targeting and eradicating odour-causing bacteria, mould, algae, and mildew. This powerful formula goes beyond masking odours; it eliminates them at their source, ensuring a long-lasting freshness you can rely on.

Applications:

- Vertinnen clinic
- Pet Boarding Facilities
- Pet Shops & Adoption Facilities
- Pet Grooming
- Home and shared residential areas
