D'Solve

D-Limonene Solvent (Extra Strength)

D'Solve is a natural d-limonene solvent solution with universal application.

It is often used to remove glues and adhesives, grease, oil, brake fluid, bugs and road grime etc. This product may be used as a quick-break cleaner, with run-off into a holding pit where degreaser and waste will separate from greywater, to be safely disposed of later.

D'Solve has many uses around the workshop, office and home.

D'Solve is a highly effective replacement for REDD, Rapid Evaporating Degreaser, and D'Solve Excel.

If you have any questions about using D'Solve as a replacement for these retired products please contact us.

Applications:

- Workshop
- Home
- Office
- Warehouse

Features:

- Natural Solution
- Easy to use
- Works Rapidly
- Leaves no residue

Pack sizes:

1L • 5L • 20L

Directions for Use:

Dilution: Dilution is not required.

General cleaning

1. Clean off any loose matter.
2. Apply using a brush or sprayer.
3. Agitate with a cloth or brush if necessary.
4. Allow to dwell for 5 to 10 minutes, but do not allow to dry.
5. Rinse the area with water.
6. Repeat steps 4 to 5 if required.

Electrical equipment and machinery

1. Isolate all electrical equipment and machinery before applying.
2. Apply using a brush or sprayer.
3. Allow to air dry and then wipe with a lint-free cloth or brush it clean.
4. Ensure equipment is dry before re-establishing the electrical connection.
